Investment Objective

ARS Sicav Market Neutral invests in a diversified portfolio of absolute return managers with a predominantly global investment focus.

This strategy aims to achieve superior absolute returns with low volatility. The fund has been designed with the objective of producing positive returns on a consistent basis, thereby protecting capital in falling markets.

Investment Philosophy

Insinger de Beaufort believes that in the current investment environment special skills and techniques are required to generate returns and preserve capital.

In the pursuit of absolute returns, we emphasise the role of alternative investments in our portfolios where possible.

We have developed sophisticated quantitative and qualitative techniques to select managers from a wide range of asset classes, jurisdictions and backgrounds. By carefully blending these managers together, it is possible to create portfolios with good return potential while controlling risk.

The fund managers within this fund are specialist managers with proven track records in delivering consistent and superior investment returns.
